I agree to accept liability and responsibility for any overpayments that result from my failure to notify the school certifying official immediately of changes in my enrollment, school, degree, or program. I also accept liability for any overpayments resulting from the receipt of aid designated for the purpose of defraying tuition and fees that is awarded following my initial certification to the VA. I understand that:

- All course work must be required for my approved degree. The VA only pays for completed courses. Changes to your schedule, withdrawal, or failure for nonattendance could result in recoupment of benefits. The VA does not pay for the repeat of a previously passed course or previously earned AP or IB credit.
- Benefits from the VA may vary from term to term and within a term based on my enrollment.
- I have provided the most recent COE that I have received to the school certifying official and reported changes in my address.
- I must meet VA satisfactory progress standards to continue to be eligible for VA educational benefits.
- I consent to the release to the VA all of my student education records maintained by Vanderbilt University including but not limited to my social security number.
- I must complete this form each and every semester in which I wish to be certified for VA educational benefits.
- I understand that the VA considers the Doctor of Ministry program, Engineering Online programs, and Peabody Online programs to be distance programs, and have been informed that the effective Chapter 33 monthly housing allowance for students enrolled solely in distance learning is one-half the national monthly housing allowance.
- I certify that all information on this form is complete and accurate.
