YES User Guide

Academic Record

The Academic Record displays your career information, academic detail for your Vanderbilt record, and external information such as previous school(s) attended, testing credit, transfer credit, and test scores. The Academic Record is available through the YES suite of applications.

Navigating to the Academic Record

1. Log into YES (Your Enrollment Services) yes.vanderbilt.edu.
2. On the student landing page, click Academic Record.

Navigating the Academic Record

The Academic Record has two tabs: Academic Record and External. The default view is Academic Record.

Academic Record

The Academic Record screen will list your expected degree, school, major(s), minor(s), expected graduation term, classification, adviser(s), cumulative GPA, and progress by semester. Students will
have access to download an unofficial transcript, grade term reports are available by semester. Mid-term deficiency reports also appear on the Academic Record tab when a mid-term deficiency has been assigned.

External

The External tab lists previous institution and all credits earned outside of Vanderbilt University.

- Testing credit will list the Vanderbilt university equivalent, Vanderbilt course title, test type, and Vanderbilt University credit.
- Transfer credit will list the transfer school, transfer school course code, transfer school course title, career to which the course applies, semester taken, Vanderbilt University equivalent, Vanderbilt University credit, and grade earned at Vanderbilt.
- Test lists test name, date, and score.
Be sure to log out of YES when you have finished using the application.
