YES User Guide
COVID-19 Arrival Testing Enrollment

A guide to adding COVID-19 arrival testing sections to the cart and enrolling from the class cart. Enrollment is available through the Student Registration application in the YES suite of applications.

Adding COVID-19 Testing Time Block to the Cart

1. On the student landing page, click Student Registration.

2. Enter UNIV 0097 into the text box and click Search.

3. To add the class to your cart, click the plus sign icon or select Add to Cart from the Class Detail page. You will need to add both UNIV 0097A and 0097B to your cart.
Enrolling from the Class Cart

1. To register, click on the drop down arrow to the left of the class and select Enroll. You must enroll in both 0097A and 0097B simultaneously.

2. Click Submit to enroll.

3. If registration is successful, you will receive a confirmation message on the bottom right corner. If registration is not successful, an error message will appear with the reason why.

**NOTE:** If you are enrolled in a class that has a time listed in YES, you will not be able to register in a COVID-19 Testing Time Block at the same time, even if the class in which you are enrolled is being offered asynchronously.
