COVID Notations

Notations will be included in the Class Roll list in the Online Grading application for any student who is not fully vaccinated for COVID-19 for any of the following reasons: students with medical or religious accommodations, international students who are not able to be vaccinated until they arrive on campus, students who are partially compliant (in the process of getting fully vaccinated), and students who have temporarily moved into non-compliant status.

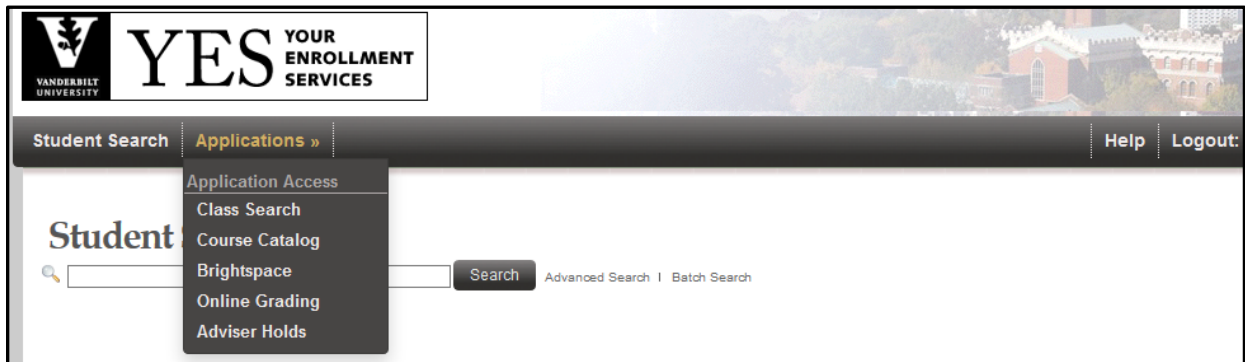

Online Grading is available through the YES suite of applications.
