Degree Audit Exceptions

Should a variance to the prescribed requirements be granted for an individual student, an exception can be posted to the degree audit.

In the screen shot below, 1 is a change in the number of courses required to satisfy the FMK requirement. 2 is a course exception to allow IDIS 5045 to count in place of IDIS 5046.
Refreshing the Degree Audit

Audits are automatically refreshed on a weekly basis. When registration changes or changes to major/minor declarations are made, audits are refreshed overnight. Students, advisers, and administrators also have the ability to refresh audits on-demand. Please Note: Unless changes have been made to your academic record (registration, major/minor declaration, etc.), you will not see any changes to the degree audit.

1. Click on **Refresh My Audits** at the top of the page.

2. It may take some time for the audit to refresh. The refresh will still continue if you navigate to a different application or even if you log out of YES.
What-If Audits

What-If audits allow students, advisers, and administrators to create potential scenarios to see how students could meet degree requirements based on successful completion of courses in the student’s planner (Course Options). **NOTE:** Courses must be tagged with a term in your planner in order to utilize them in the What-If audit. For help with the Academic Planner, please see the user guide: [http://registrar.vanderbilt.edu/cms/wp-content/files/YES-User-Guide-Catalog-and-Planner.pdf](http://registrar.vanderbilt.edu/cms/wp-content/files/YES-User-Guide-Catalog-and-Planner.pdf).

Disclaimer: “The What-If audit is for hypothetical planning purposes only. Courses, classes, majors, minors, and concentrations may or may not be offered and may have additional stipulations for entry. Please refer to the appropriate school catalog as the authoritative document governing degree requirements.”

**Course Options**

1. From the degree audit, select the **What-If** tab.
2. Click on **What-If Options**.
   
   **NOTE:** The Academic Options section allows students to choose different majors or minors to test potential completion of degree requirements. It does not apply to students in the School of Medicine.

3. Ensure that the courses in the student’s Academic Planner are tagged with term information. (The term is necessary in order for the audit to reflect the correct course information.) For help with the Academic Planner, please see the user guide: [http://registrar.vanderbilt.edu/cms/wp-content/files/YES-User-Guide-Catalog-and-Planner.pdf](http://registrar.vanderbilt.edu/cms/wp-content/files/YES-User-Guide-Catalog-and-Planner.pdf).

4. From the Course Options section, select the courses to be considered in the What-If audit.
5. Click Submit.

6. The icon indicates a What-If course in the audit.
