Degree Audit – Undergraduate

The degree audit is an online tool that allows students, advisers, and administrators to track students' academic progress toward completion of degree requirements. The audit is available through the YES suite of applications.

Navigating the Degree Audit

1. Log in to [YES](https://yes.vanderbilt.edu) using your VUNetID and e-password: yes.vanderbilt.edu.
2. On the Student Landing page, click **Degree Audit**.

3. The undergraduate degree audit will appear. Carefully read the Degree Audit Disclaimer and click **Accept**.
 - Disclaimer: “Degree Audits are for advisory purposes only and do not certify progress in the degree. Please refer to the appropriate school catalog as the authoritative document governing degree requirements. The student, in consultation with the adviser, should carefully review both sources.”
 - Message about in progress courses: “NOTE: The audit assumes the successful completion of enrolled classes; classes in progress display as ‘satisfied’ in the audit. Students and their advisers should check the audit carefully before concluding that a distributional or major requirement has been completed.”
4. In the top, right-hand corner of the audit, you can see the date that the current report was generated. [Audits are automatically refreshed on a weekly basis. When registration changes are made, audits are refreshed overnight. In addition, audits can be refreshed on-demand by students, advisers, and administrators (see below).]

What-If Audits

What-If audits allow students, advisers, and administrators to create potential scenarios for additional or different degree requirements and to see how students could meet those requirements based on in-progress and completed courses (Academic Options), as well as courses in the student's [planner](#) (Course Options). Academic Options and Course Options can be utilized in the What-If audit both together and separately. **NOTE:** Courses must be tagged with a term in your planner in order to utilize them in the What-If audit. For help with the Academic Planner, please see the user guide: <http://registrar.vanderbilt.edu/cms/wp-content/files/YES-User-Guide-Catalog-and-Planner.pdf>.

Disclaimer: "The What-If audit is for hypothetical planning purposes only. Courses, classes, majors, minors, and concentrations may or may not be offered and may have additional stipulations for entry. Please refer to the appropriate school catalog as the authoritative document governing degree requirements."
