If a class is full, students must actively add themselves to the waitlist. The drop-if-enrolled function should be used if the waitlisted class conflicts with a currently enrolled class.

Selecting the Waitlist

1. After adding a class to your cart, go to your Class Cart and select **Waitlist if Full** from the pulldown menu for the class you want.

The screenshot shows the 'Class Cart' interface. At the top, there are dropdown menus for '2016 Fall' and 'All Sessions'. To the right, there are statistics: 'SEARCH' with a magnifying glass icon, 'IN CART' with '4.0 HRS', 'ENROLLED' with '10.0 HRS', and 'ENROLLMENT DATES' with 'JUL 20 2 0 1 6'. Below this is the 'Class Cart' title with left and right navigation arrows. A class entry for 'THTR 1711: Introduction to Theatrical Production' is shown with details: '01 4.0 hrs Lecture', a progress indicator '0/12', 'MWF', '01:10p - 02:00p', 'Neely Auditorium 203', and 'Stratton, Matthew D.'. A dropdown menu is open over the class entry, showing three options: 'Do Not Enroll', 'Enroll', and 'Waitlist If Full'.

2. A **W** will display next to the class you want to waitlist. Click the **Submit** button.

This screenshot shows the 'Class Cart' interface after the 'Waitlist If Full' option has been selected. The class entry for 'THTR 1711: Introduction to Theatrical Production' now has a 'W' icon in a dropdown menu next to the class ID '01'. Below the class entry, a 'Submit' button is visible.

3. This message will appear at the bottom of your screen:

A warning message box with a yellow triangle icon and a red 'X' icon. The text reads: 'Warning THTR-1711-01: Class 5436 is Closed. Placed on Wait List because class is closed or remaining seats are reserved. ('

Drop-if-Enrolled

If your waitlisted class conflicts with one in which you're currently enrolled, if you are enrolled in a different section of the same course, or if enrollment in a waitlisted course would put you over 18 semester hours, you will need to utilize the Drop-if-Enrolled function.

1. Go to your Enrolled classes page and click on  next to your waitlisted class.
