Viewing Reports

1. You will receive a message when your reports are available. The message will include a link to your dashboard, which contains a list of your reports.
   - NOTE: Please be sure to look in the Reports section, not the Tasks section.

2. If you have access to a large number of reports (multiple TAs, etc.), you can utilize the Search feature to narrow the results.

3. Click on the hyperlink for the desired report.
4. Each report begins with a summary page.

5. Reports are divided into Instructor Questions and Course Questions. Where applicable, comparative information is provided for courses in the same department and in the same school.

What improvements to the course would you recommend?

- More time between teaching material and being quizzed on it.
- None!
- None
- I would appreciate the homework being mandatory (for completion, not for accuracy) in order to add an incentive to complete it.

Do you have any other comments?

- is AWESOME! Thanks for making math feel like less of a chore.
- was fantastic! Favorite professor I have had so far
