Changing a Grade
Once a grade has been submitted, you will be able to change the grade in the Online Grading application for up to 13 months after the original submission. This option will not be available for students who have graduated or students who are in their final term. You will need to use the paper grade change form in these cases.

1. Log into the original grade roster.
2. If a grade can be changed, a green box will appear next to the grade.

3. Click on the green box to open the Grade Change Request.
4. Select a new grade from the drop-down menu.

5. Enter the reason for the request and click submit.

6. The request will be forwarded to your school’s Dean’s Office for review and approval. You will be notified if the change has been denied. Otherwise, the updated grade will appear in Online Grading once it has been approved and the student will receive a notification.

7. Once a change has been submitted, it can no longer be changed in Online Grading. You will need to use the paper grade change form.
