## User Guide: Online Grading

- Any temporary grade (I, M, MI) assigned to an undergraduate student will require a date by which the temporary grade must be resolved and a default grade to be assigned if the missing work is not completed. The due date cannot be later than the end of the next regular term.

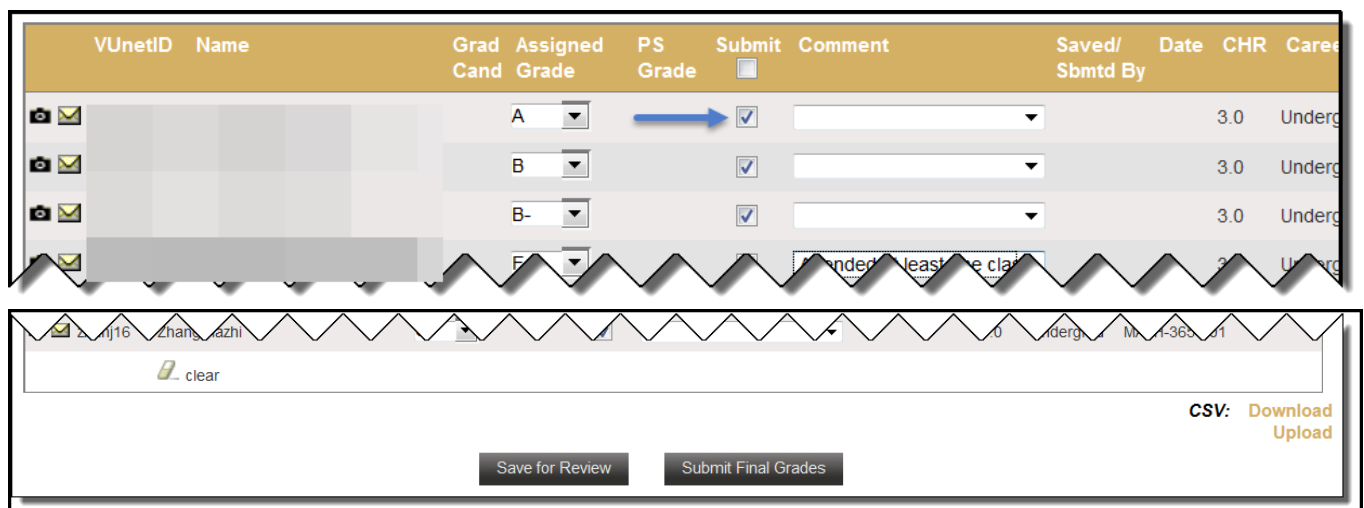

The screenshot shows a form with the following fields:

Assigned Grade	PS Grade	Submit	Comment
I		<input checked="" type="checkbox"/>	
<b>Information Required to Assign an Incomplete</b>			
Default Grade:		Due Date:	

For questions about temporary grade policies, please contact your school's dean's office.

- After all grades have been entered, proof your entry for accuracy.
  - The submit box will automatically be checked after you enter the grade.
  - Click on **Save for Review** to only save grades within the grade entry period (they will not be submitted at this point).
  - Click on **Submit Final Grades** to submit grades to the student records system. If there are any grades that you do not want to submit, uncheck the Submit box.
    - You will receive a message to confirm that you are ready to submit your grades. Click **OK** to proceed.
  - Once submitted, you may not change the grade online. Instead, please use the paper grade change form. You have not officially submitted your grades until you click the **Submit Final Grades** button.

The screenshot shows a table of student records with the following columns: VUNetID, Name, Grad Cand, Assigned Grade, PS Grade, Submit, Comment, Saved/Sbmted By, Date, CHR, and Career. The table contains four rows of data, with the first row highlighted. A blue arrow points to the Submit checkbox in the first row. ## Changing a Grade – Transcription and computational error

Once a grade has been submitted, if a transcription or computational error has occurred, grade changes prior to the end of the class change period of the succeeding regular semester will be routed automatically for posting to the student’s record. 1. Log into YES and access the Online Grading application. Select the appropriate term from the drop-down menu and select Final Roster for the section for which you would like to submit a grade change.
2. If a grade can be changed, a green box will appear next to the grade. Click on the green box to open the Grade Change Request.
